REGARDING: CALIFORNIA PROPOSITION 65 INFORMATION

Dear Valued Customer,

The California Safe Drinking Water & Toxic Enforcement Act of 1986, commonly referred to as California Proposition 65 [CA Prop 65] requires manufacturers to provide customers with notification about chemicals in the products they purchase. Searing Industries, Inc. complies with this requirement by providing the following in regards to its steel products.

Steel sold by Searing Industries, Inc. contain chemicals listed by the California Safe Drinking Water and Toxic Enforcement Act of 1986 [Prop 65]. Products produced by Searing Industries, Inc. can expose you to chemicals including nickel, which is known to the State of California to cause cancer and hexavalent chromium from welding fumes, which is known to the State of California to cause birth defects or other reproductive harm. For more information, go to <https://www.p65warnings.ca.gov/>.

Searing Industries, Inc. also supplies chemical information on its Safety Data Sheets [SDS], which are supplied to each customer and are available to anyone upon request.

If you have any questions or concerns regarding this notice, please contact your sales representative.

Sincerely,

Searing Industries, Inc. & Searing Industries Wyoming
