

Certificate of Registration

Searing Industries, Inc.

5310 Clear Creek Parkway, Cheyenne, WY 82007, USA

have been assessed and approved to:

ISO 9001:2015

Quality Management System

The approved management system applies to the following scope:

The manufacture of structural steel and mechanical tubing of various dimensions in round, rectangular or square profiles. The profiles are manufactured through cold rolling of sheet steel and welded to complete the finished shape. The end products are used as load bearing Grade B or C structural steel in accordance with ASTM A500 for use as columns and beams.
